

7 - Day Cruise Fit & Low - Bloating Plan

This plan is designed for: - flatter stomach appearance - lower bloating - feminine toned body - stable energy - feeling confident in bikini/swimwear during the cruise

Morning Routine

- 1 glass warm water after waking up
 - 5 - minute deck walk or light walking
 - Pelvic tilt ×15
 - Cat - cow ×10
 - Dead bug ×10 each side
 - Glute bridge ×15
 - Wall posture hold ×1 minute
-

Breakfast

Best options:

- Eggs + avocado + tea
- Greek yogurt + berries + almonds
- Omelette + small potato

Avoid buffet overload and too much pastry/sugar together.

Lunch

- Protein - focused meals: chicken, fish, beef, shrimp
 - Small rice/potato/pasta portion
 - Cooked vegetables
 - Walk 15 – 20 minutes after lunch
-

Pool & Bikini Tips

- Drink water before pool time
 - Small snack before swimming: almonds or banana
 - Avoid soda, chips, heavy desserts before bikini/pool time
-

Afternoon

- Cappuccino or tea
 - 1 – 2 pieces dark chocolate 90% if craving
 - Light walking on the ship
-

Dinner

Best dinners:

- Grilled fish
- Steak/beef
- Chicken + rice small portion
- Soup

Avoid heavy creamy pasta and late salty snacks.

Night Routine

- Warm water slowly
 - Light fennel tea
 - Gentle stretching
 - Sleep well and avoid stress/body checking
-

Important: Your body responds best to: • consistency • calm digestion • walking • balanced meals • posture and relaxation The goal is not starvation. The goal is a relaxed, feminine, toned, confident body.
